

I am dismayed to learn that Sinclair Broadcasting is taking such a blatantly partisan approach in their broadcast of the anti-Kerry program "Stolen Honor". Whatever happened to the notion of fair and balanced broadcasting, particularly given that Sinclair have free usage of public airwaves!!! What about public interest???

This is a clear example of the dangers of media consolidation. When we get large companies controlling the airwaves, it's much more about what's good for the bottom line and less of what is ethical and good for the democratic process.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
